第二屆藝術課程(四年)年度展

四年制的藝術課程（第二屆）來到第三年，繼續課程的宗旨，建造一個平等的學習機會及透過藝術教育讓不同能力人士展現他們的獨特性和能力。

這是首次展示同學的學習歷程，學習藝術是歡愉的，也許作品未能稱得上“美麗”，但同學們以自己的方式吸收資訊並經消化後創作出的作品，更帶出對藝術教育更多的可能性。在觀賞作品的過程中，我們期望觀眾能了解同學在這三年間如何認識自己和重拾體驗生活的過程，開拓大眾對不同能力人士的想像。

The 2nd Art Course(4 Years) Annual Show

The third year of the Second Art Course (4-year program) commences and continues the aim of the Course to offer an equal opportunity for people with different abilities to show their uniqueness and capabilities through art education.

This is the first exhibition about the learning process of our students. Art learning is joyful. Perhaps their artworks cannot be claimed “beautiful”. But their artworks are created after they absorbed and digested in their own way the knowledge they learned. This causes more possibilities for art education. We hope our audiences, while they are appreciating the artworks, they will be able to understand the process of our students how they got to know themselves and regained their experience of life in these three years; so as to open up our audiences’ imagination about people with different abilities.
