WELCOME TO MEET
**KA
CHEUNG**

AND ALL OF US

自己人

這幾年間加祥畫下很多人像畫，把身邊的人一一用畫筆記錄下來。每問起加祥會否想起畫中人平時的各種有趣模樣，他立即顯露出非常燦爛的笑容，對他來說，繪畫是快樂的。生活在院舍的加祥總是「坐唔定」，喜歡到處巡邏看看大大小小的事情，他平日堅持一筆一劃的用文字與大家聊天、關心對方，過程中，大家的模樣早已刻劃在加祥心裡。眾人的面容、輪廓到皺紋，加祥都能以敏銳的觀察力細緻地繪畫出來，同時在筆觸之中注入他對繪畫對象的情感，成為他獨有的風格。

Buddies

Ka-cheung has been devoted to portrait painting for some years, in order to create a record for the people he loves. His face shows full of pleasure whenever being asked if he can imagine the loveliness of people inside the picture. For him, painting is delightful. Ka-cheung loves wandering around to explore everything. He always chats with people no matter writing hard. During observation, face of everyone is captured in his mind already, form the appearance, shapes and even lines. Ka-cheung can always illustrate with his sensitive perception and also particular emotion, forming his unique style.
