4. Application for the “Registration Certificate for Kindergarten Admission”

- Under the Kindergarten (KG) Education Scheme (the Scheme), each child who can receive education in Hong Kong will only be issued a registration document and all Scheme-KGs can only admit children holding a valid registration document.

➤ Parents are required to submit an application for the Registration Certificate for Kindergarten Admission (RC) to the Education Bureau (EDB) from September to November 2023. The RC will be open for applications in September 2023 and EDB will announce and upload the details of application onto EDB's website (https://www.edb.gov.hk/k1-admission_e) in due course. Upon receipt of the applications with all necessary information and documents provided, EDB will generally take six to eight weeks to complete processing of the applications and issue the RC to applicants who are eligible for receiving subsidy under the Scheme by post. If a child cannot obtain an RC as he/she can receive education in Hong Kong but is not eligible for receiving subsidy under the Scheme², EDB will then issue a Kindergarten Admission Pass (AP) to the child concerned for registration and admission to a Scheme-KG but the parents concerned are required to pay full school fees before deduction of subsidy under the Scheme as shown on the Fees Certificate of the KG to which the child is admitted.

5. Admission Criteria

- Interview performance
- The applicant with sibling(s) currently studying in the Nursery School will be given due priority consideration
- The applicant from families in need of whole day / long whole day classes will be given due priority consideration when applying for whole day / long whole day classes (As the number of school places is limited, please note that not all applicants fulfilling the priority consideration will be guaranteed a school place.)

² Upon obtaining permission from the Director of Immigration, non-local children (such as children holding a form of recognizance, children whose parent(s) is/are holding a student visa, etc.) can receive education in Hong Kong but they are not eligible for subsidy under the Scheme.
